The MICROPHONE

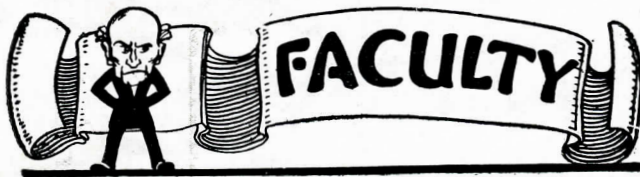

The Microphone

For the second time, the Ellendale High School through its Senior class is publishing this little pamphlet known as the Microphone. The first issue was so successful that the present graduates were unanimous in their desire to continue the enterprise.

It will serve as a chronicle of the interesting events of the year 1935-36. It will prove interesting reading matter not only to students now in high school, but to alumni and friends as well. In years to come it will be picked up and re-read from time to time, keeping fresh in our minds pleasant memories of high school days.

To our superintendent, E. C. Ingvalson, we dedicate this issue of the Microphone, in grateful recognition of his kindness and patience and unselfish service for the welfare of the school.

IN RETROSPECT

In our Freshman year, we, the mighty Seniors, felt almost as important as we do now. We were a little awed by being in the first year in high school and took our duties quite seriously. Quite seriously, I say, because of course we enjoyed good times, too. There were many new students who came from country schools, strangers to us then, who are now old friends.

In our Sophomore year we were really in high school, and we looked up to the Juniors and Seniors, especially the Seniors. We thought they were quite all right and tried to copy their ways, just as the Sophomores try to copy our ways this year.

Our Junior year was one of study and meditation, as well as one of strenuous outside activity. We had long honor rolls and made our teachers notice our presence. We distinguished ourselves in dramatics and music. We also worked hard to give the Seniors a farewell banquet, just as the Juniors this year have done.

Now we are Seniors. Several of us have come up from the first grade together. Of course we are grown up now and have the larger freedom of the Senior. Even the teachers say they notice our increased dignity and poise! Our graduation is a happy, exciting time, but it is also a little sad. We will go forth determined to do our best, but we will not forget our school and our pals. We will see each other again, we hope, and wish each other all the health, happiness and success that life can hold.

Music activity for 1935-36 was carried forward in both Senior and Junior high school with increased appreciation of this happiest of all fine arts. Both the splendid, capable directors, Miss Gladys Johnson, who has charge of the chorus work and Mr. Howard Fiske, in charge of the band, were new in Ellendale High this year. Miss Jewell Robinson took her place again as accompanist. The combined efforts of directors and students have achieved some very creditable results.

The boys' and girls' glee clubs and the band were organized early in the fall. The mixed chorus was organized at the beginning of the second semester.

The first appearance of the girls' glee club was before a joint convocation of Senior and Junior High students, on March 12. Two numbers were used: "Lullaby" by Brahms, and "I Hear The Bees a Hummin'" by Zamecnik. The rest of the period was used in assembly singing, rounds and novelty numbers being used.

A very happy event was the combined program and party given by the glee clubs, on December 19. The combined group sang "Christmas Song" by Adam. A group of nine mixed voices sang "Christmas Lullaby" by F. M. Christiansen. Several piano numbers, a reading and carol singing completed a very delightful program, followed by a social hour in which pop corn balls and the playing of folk games played an important part.

The boys' glee club sang for assembly on February 21, and on February 28. They also sang several numbers at the Masonic oratorical contest, which was held March 5.

At the beginning of the second semester more emphasis was placed upon the mixed chorus which was formed by putting the two glee clubs together and adding a few voices. The membership of this chorus has been as follows: Sopranos—Thelma Bolstad, Janet Brouillard, Lillian Dobler, Miriam Fleming, Vivian Fleming, Mary Griffin, Lillian Hillius, Lois Huber, Alice Paulsen, Elsie Quashnick, Clara Schmierer, Martha Van Horn, and Lila Vasvick.

In the latter part of the year, emphasis was given to the preparation of music to be used in the annual choral festival. On April 28, Professor H. C. Rowland, in charge of vocal music at the University of North Dakota, visited the high school and put the various groups through some very effective drill. The same evening the annual spring concert was given, assisted by Lydia Tiegs, Frances Durand and Peggy Blumer in piano numbers.

On April 29, the fourth annual Southeastern Choral Festival was held at LaMoure. Choruses from LaMoure, Edgeley, and Oakes as well as Ellendale participated in this delightful event.

The mixed chorus will assist at the annual Senior church service to be held at the Methodist church, May 17. The girls' glee club will sing at graduation exercises to be held Thursday, May 21.

During the year a number of outside musical treats have been thoroughly enjoyed. On November 1, 1935, E. H. S. students were the guests of N. I. for a chapel program. The entertainer was Miss Jane Dudley, an expert violinist. Her program was in the form of a lecture-recital which was both instructive and entertaining.

On February 25, a group of local musicians put on a splendid program in the high school assembly room. The program consisted of a group of vocal

solos by Mrs. F. E. Randall and a number of piano duets by Mrs. A. E. Dunphy and Mrs. L. M. Coleman.

A Major Bowes amateur contest sponsored by the county superintendent's office was held February 6. Scott Walker won first with a clarinet solo, and Lillian Hillius, third place with a vocal solo. In the final county contest at Oakes Scott, Walker received third place.

In the district music contest held at Wahpeton, Miriam Fleming, entering for the first time, was given second place. Scott Walker, clarinet solo, Lydia Tiegs, piano solo, and Frances Durand and Margaret Blumer, piano duet, all received first place. Before going to Wahpeton, all these numbers had been presented in programs at N. I. and at the high school and at a public recital at N. I. Those winning first places in the district contest will compete at the University in the state music contests, May 14-16.

The high school band was reorganized for the 11th consecutive year on September 6, with the following membership:

Cornets: Wm. Jackson, Marshall Hokana, Rita Phillips and Phyllis Fleming.

Clarinets: Scott Walker, Jay St. John, Lillian Dobler, Lois Jorgenson, Dorothy Brown and Howard Hokana.

Altos: Ernest Lees and Evelyn Mae Wright.

Baritones: John Dunphy and Miriam Fleming.

Bass: Lowell Hamar.

Trombone: Willard Hokana.

Alto Saxophone: John Jackson.

Drums: Rolla Durand, Junior Schook and James Miles.

Mr. Floyd Ackert has been of great help to the band by sitting in and playing trombone. During the spring months he is starting a number of boys on band instruments who will be good material for future bands.

The band under direction of Mr. Fiske, has appeared in public several times. It appeared before the high assembly in November and again at an athletic program in January. On March 20 the band provided a convocation program at N. I.

In addition to the regular band, a "pep band" of 14 pieces was organized to play at basketball games. It did much to enliven school spirit and pleasantly fill the intermissions.

On April 17, all the band members and their director, Howard Fiske; Floyd Ackert, a former member and now director of the Ellendale city band; Superintendent E. C. Ingvalson; and Miss Gladys Johnson, were guests at a banquet prepared and served by the mothers of the band members. Preceding the dinner a program of music was given: A baritone solo, Miriam Fleming; clarinet solo, Scott Walker; vocal quartet, Rolla Durand, James Miles, Jay St. John and Lowell Hamar; and pep singing with Miss Johnson at the piano. After dinner toasts were given by Phyllis Fleming, Lois Jorgenson, William Jackson, Floyd Ackert and Superintendent Ingvalson. Mr. Fiske acted as toastmaster.

Much credit is due our director, Mr. Howard Fiske, for the success of the band this year. His fine enthusiasm and interest has been very stimulating. As evidence of his deep interest in this activity he has helped to plan a band event to be known as the Southeastern Band Festival. This is

ATHLETICS

Left to right—Marquardt, Crabtree, Tobin, Sizer, Hafner, Trosin, Walker, Newman, Coach O. K. Ehlers.

Football

Coach Ehlers had a fairly easy time this year, for he had a good-sized nucleus around which he could build a football team. Seven lettermen were back and there were others with experience.

The team was quite heavy and fast, which placed it among the outstanding teams of North Dakota. When the season score is summarized it is evident that the Cardinals did a great deal of scoring, having a total of 218 points to its opponent's 20. Only two teams crossed our goal line, Edgeley and Lidgerwood.

Wishek	0	Ellendale	12
Oakes	0	Ellendale	6
Aberdeen "Seconds"	0	Ellendale	31
Edgeley	7	Ellendale	42
LaMoure	0	Ellendale	57
Minor	0	Ellendale	75
Lidgerwood	13	Ellendale	0

Ellendale tied with Enderlin in the conference race. This entitles E. H. S. to the honor of co-champion and to the conference trophy for half time and it now resides in our trophy case.

Ellendale citizens gave excellent support to the team throughout the season and were enthusiastic about its victories. Ardent fans such as D. W. Crabtree, W. E. Marquardt and J. V. Miles, with the support of the Community club and business men generally, raised money by means of an entertainment to buy each letter-man a gold football. The entertainment consisted of a moving picture show supplied by our good friend, Dr. Lynds, and included

films of our team in action taken by him. The boys deeply appreciate the recognition given them.

Two banquets were given the football boys this year; one by the mothers of the boys and one by the Community club. These were greatly enjoyed by the boys.

Football letters were awarded after the banquet given by the mothers. Those to receive letters were: Edwin Sand, Alvin Sand, Owen Sizer, Raymond Neumann, Herbert Trosin, Duane Crabtree, Reuben Marquardt, William Jackson, Burwell Leet, Harlan Wanaka, Kenneth Tobin, Howard Boom, Marshall Hokana, Verner Fitzgerald, Leslie Bowman, and James Miles. Owen Sizer was voted Honor Athlete for 1935, and was presented with a special trophy provided by Coach Ehlers and Mr. Ingvalson. Harlan Wanaka was elected captain for next year.

Basketball

The "Cards" started the season with five lettermen who had lots of experience. They fell in the first game of the season, victims to the "Indees," in a tight battle, 25-26.

Although we had a good team this year, its playing was not always consistent. It appeared that sometimes its playing was poorest when good playing was most in demand, such as when we met Jamestown, at the Oakes tournament, and in the final game of the district tournament. The summary for the season:

"Indees"	25	Ellendale	26
Kulm	14	Ellendale	22

Lisbon	24	Ellendale	42
Aberdeen "Seconds"	27	Ellendale	37
Webster (S. D.)	28	Ellendale	27
Kulm	10	Ellendale	23
Valley City College Hi.	16	Ellendale	20
Oakes	11	Ellendale	31
Enderlin	28	Ellendale	44
LaMoure	8	Ellendale	36
Oakes	25	Ellendale	29

In the Oakes tournament we lost to Oakes in the preliminary game and won from LaMoure in the consolation game.

In the district tourney, held in Ellendale this year, we lost in the final game to Valley City College High School by a score of 26-22.

Our Senior Athletes

Owen Sizer has played basketball since he was in the eighth grade. He earned his first letter when he was a Sophomore and was captain this year. He has played regular at end in football for two years and has two letters. A letter man in track, he does the high jump, high and low hurdle, shot put, and half mile. He ranks as one of the most outstanding athletes the school has ever had.

Herbert Trosin plays at forward in basketball and is a two year letter man. In football he has played half and fullback and here also he has earned two letters. In track he runs the 220 yard dash, high and low hurdles and does the high jump and broad jump.

Reuben Marquardt came to us as a Senior, transferring from Annandale, Minnesota. Already a three year letter man in basketball, he annexed another this year doing noble duty at guard. Inexperienced in football, he soon caught on and made a "whizz" at fullback. In track he pushes the shot and runs the 220 yard dash.

Alvin Sand, hailing from out east of town, has made his mark as a tackle in football, having earned two letters. In track he runs the 440 and puts the shot. His brother Edwin has made an effective guard in football and has garnered two letters in this sport.

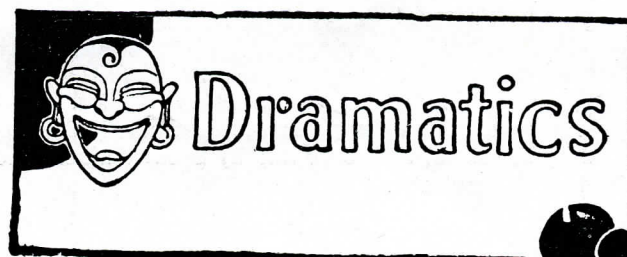

Walter Leet, the "streak" from Redfield, S. D., made the third all-state football team as a Junior. Too many birthdays made him ineligible this year, but he is not to be forgotten and we are sure his opponents will remember him.

Raymond Neumann has played basketball for four years and has earned two letters, playing at either forward or guard. As a Senior he annexed another letter by playing end in football.

Duane Crabtree is a two letter man in basketball, playing at guard. He is also a two letter man in football, playing at center and acting as captain this year. In track he runs the mile and half mile and takes a turn at vaulting. He has one letter in track, earned last year.

William Jackson has earned a letter in football and has participated in basketball. He is active in track, running the 440 yard dash and the half mile. He is out to win the coveted track letter.

To our splendid coach, Mr. O. K. Ehlers, the Senior boys wish to extend their thanks. Through his efforts and untiring zeal, athletics in our school have been brought to a very high standard. To the boys still in school go our best wishes for continued success.

This has been a very successful year in the field of dramatics. Students have given their full support and co-operation to make dramatics a success and to make this activity one of the most outstanding in school history. Dramatics not only challenges the support and loyalty of the student body but is also a way of raising money for other school activities and social events such as the Junior-Senior banquet.

There will always be a number of students who have dramatic talent which can be utilized and developed in the giving of plays and in declamation. These activities are very beneficial in building up these talents. After appearing in a number of plays or declamations, the performer soon ceases to have "stage-fright" and begins to feel at home before an audience.

"Home Town Girl"

This all-high-school play was presented November 22 and 23. It was given to supply the students who were not playing football with a worthy activity as well as to finance the Junior-Senior banquet. The play was both an artistic and a financial success. The cast of characters was as follows:

Luke Stone, a small town lawyer.....John Dunphy
 Caroline Arms, Luke's cousin.....Clara Schmierer
 Marian Hastings, Luke's niece.....Frances DuRand
 Arthur Jennings, in love with Marian.....Scott Walker

Senior Declamation Contest

The Senior girls' declamation program was held in the high school assembly, February 13. The program was as follows:

Masonic Peace Oratorical

An oratorical contest sponsored by the North Dakota Masonic Lodge was held at the Ellendale Temple, March 5. The topic of all orations was "World Peace—How Attained." Three schools par-

ticipated. Ellendale High School was represented by John Dunphy, Monango by Selma Fradet, and Ellendale Industrial High School by Marion Ofstedahl. First place was given to Selma Fradet.

The program was supplemented by musical numbers by the Boys' Glee club and by Scott Walker who gave a clarinet solo.

Dickey-LaMoure Played Festival

This was the second one-act play festival sponsored by the Dickey-LaMoure Activities Association, an organization composed of the four first class high schools in the two counties. It was held at Ellendale in the high school auditorium, March 18. Edgeley presented "The Pampered Darling"; LaMoure, "Sendeth Rain"; and Oakes, "The First D. Ellendale High School gave "The Wedding" by John Kirkpatrick. Mr. Paul J. Harkness of Northern Normal, Aberdeen, was the critic judge. He gave deserved commendations and constructive criticisms to each cast. It was felt that this, the second play festival, was as great a success as the first one had been. E. H. S. enjoyed being host to such a fine group of schools.

"The Wedding" will be repeated for the State Federation of Women's Clubs, which holds its convention in Ellendale, June 2-4.

The Declamation Tourney

The annual declamation tourney, also sponsored by the Activities Association, was this year held at Oakes, on April 15. Ellendale was represented by Carolyn Bolstad, who gave a dramatic reading; Dorothy Heine, giving a humorous selection; and by Betty Holte, who entertained the audience by the reading of two poems. Mr. Paul J. Harkness again acted as critic-judge and was especially effective in his criticisms.

Numbers by the Oakes High School Girls' Glee club added to the attractiveness of the program.

"Hold Everything"

This, the annual offering of the high school by its Senior class, was the final dramatic event of the year. The play was presented April 24 and 25. The cast follows:

Caroline Caruthers, a hotel proprietress
.....Carolyn Bolstad
Niobe, a colored servant.....Lillian Johnson
Christopher Morgan, a banker.....Edwin Sand
Connie Morgan, his daughter.....Betty Holte
Bee Williams, Connie's friend.....Alice Maree Paulsen
Courtney Barrett, Jr., Connie's pet aversion
.....Herbert Trosin
Mrs. Julia Gibbs, an ambitious mother
.....Marjorie Hagen
Lottie Gibbs, Mrs. Gibbs' daughter.....Dorothy Hagen
Wanda Gibbs, Mrs. Gibbs' daughter.....Virgie Bergfalk
Daisy Gibbs, Mrs. Gibbs' daughter.....Cora Schmierer
Steve, a crookVernon Heckelsmiller
Andy, likewise a crook.....Reuben Marquardt
Tim Macauley, a detective
.....Raymond Neumann and Alvin Sand

This play was one of the best ever presented by Ellendale High School. The play itself was well-suited to players of high school age and was splendidly cast.

To Miss Onsrud

The success of dramatic activities in Ellendale High School must be credited largely to the fine

This summary aims to give a review of the music activities of the school year 1935-36. It gives a hint of the pleasure and profit that many students have derived from these activities and suggests values that will be carried on into life. Appreciation and thanks are gratefully accorded to directors, and to the school administration who make this fine activity possible.
